M		M8 ϕ 14 Washer	6 pcs

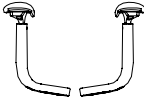

Main Parts

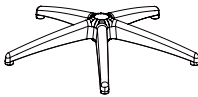

A
Back
1pc

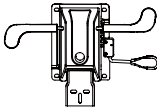

B
Seat
1pc

C
Armrests
2 pcs

D
Base
1pc

E
Mechanism
1pc

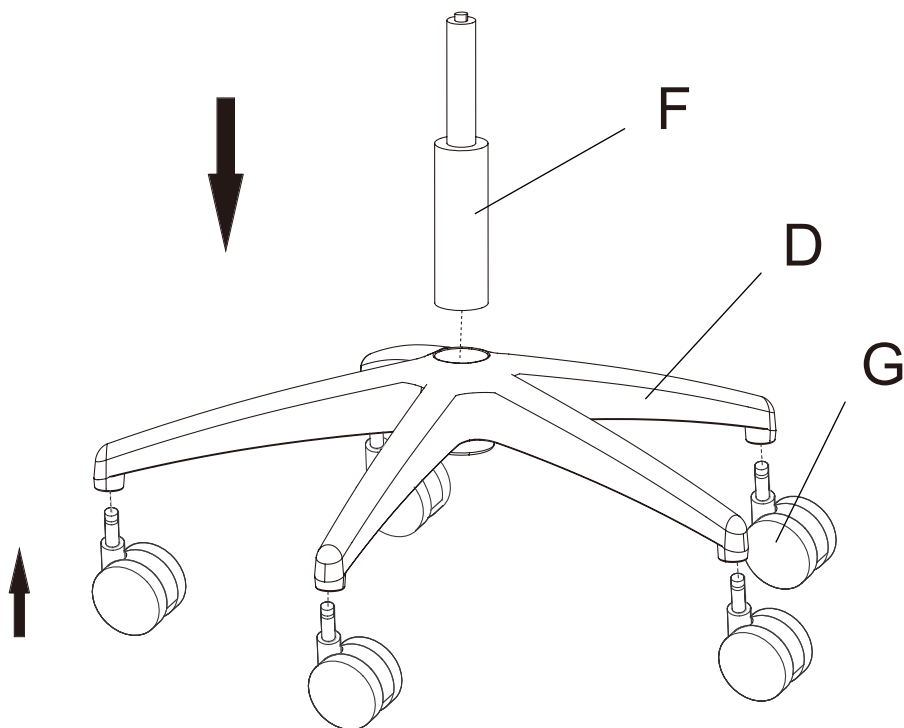

F
Gas Lift
1pc

G
Casters
5 pcs

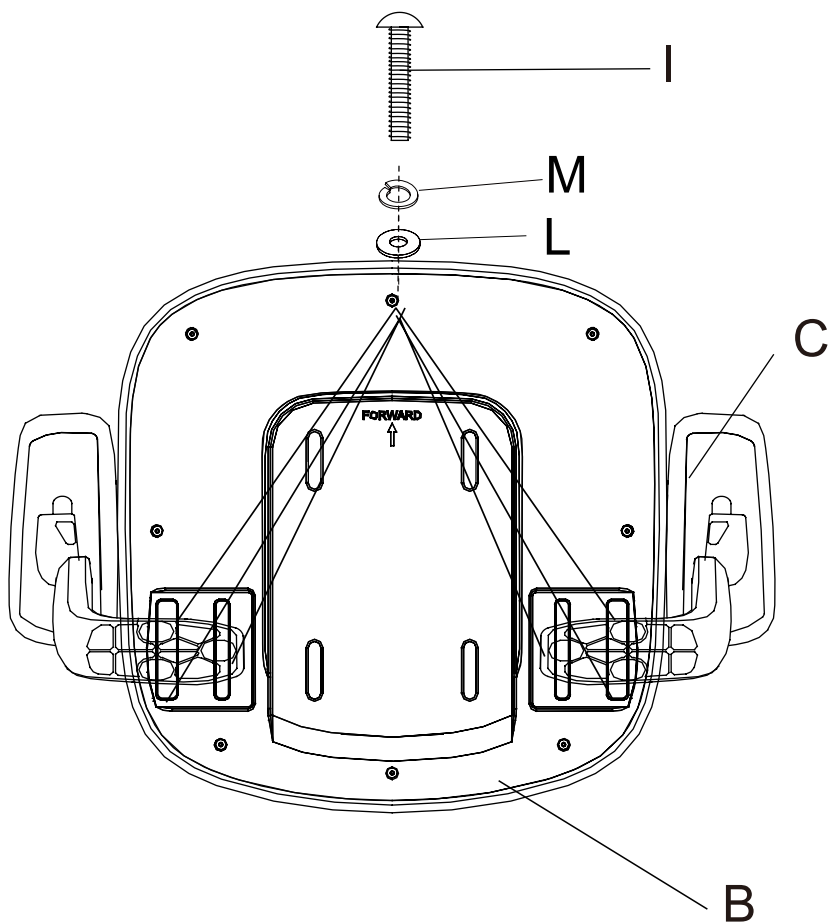

1

Let's start with the base. Grab five Casters (G), the Base (D), and the Gas Lift (F). Insert each Caster (G) firmly into the sockets on the ends of the Base (D). Place the Gas Lift (F) into the top opening of the Base (D).

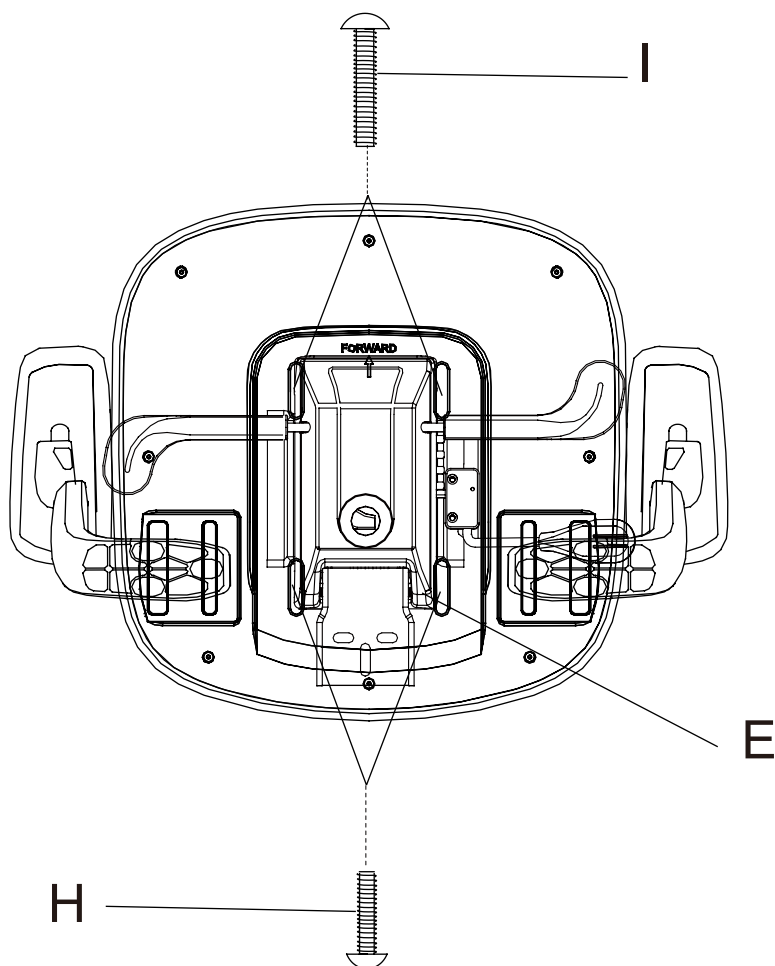

2

Grab the Seat (B) and two Armrests (C). Flip over the Seat (B) and Armrests (C). Align the slotted holes at the bottom of each Armrest (C) with the side holes on the Seat (B), then insert and tighten three (I) screws, three (M) washers and three (L) flat washers into each Armrest (C).

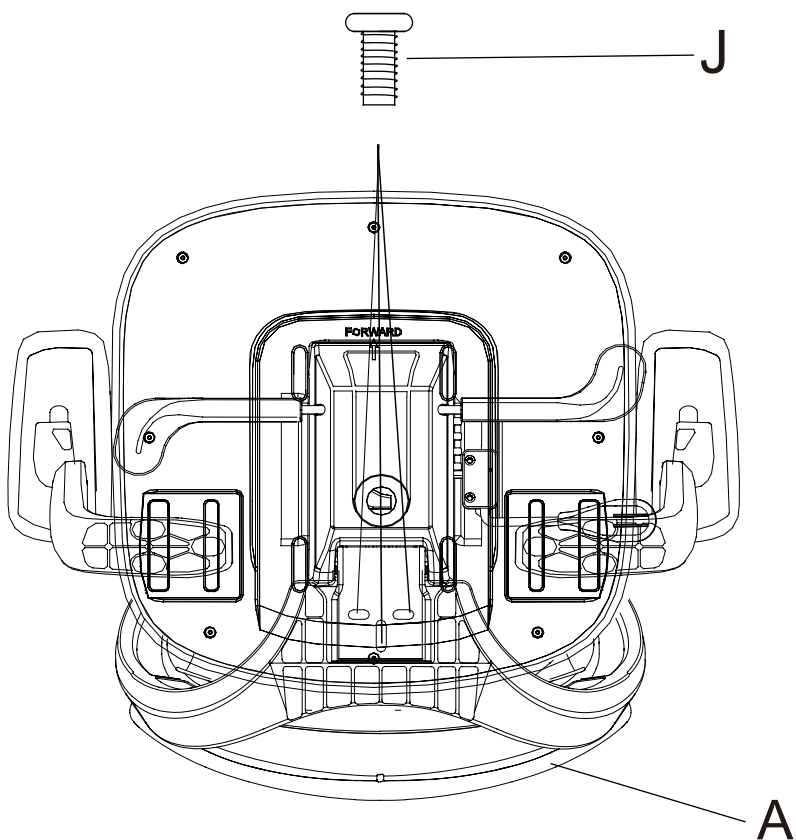

3

Grab the Mechanism (E). Align the slotted holes at the bottom of Seat (B) with the side holes on the Mechanism (E), then insert and tighten two (I) screws into the front side of the Seat (B) and two (H) screws into the back side of the Seat (B).

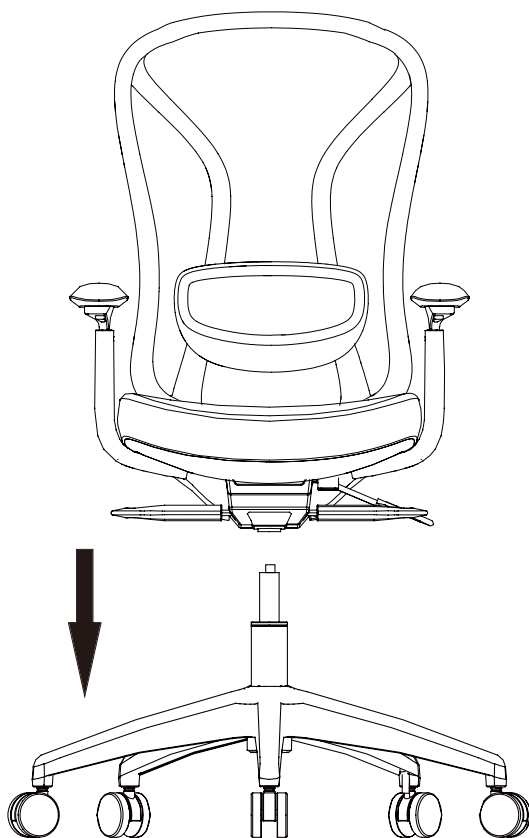

Bring the Back (A) and flip it over. Align the three holes on the back of the Seat (B) with the holes at the bottom of Back (A). Grab three (J) screw and tighten to secure the connection.

5

Stand the assembled Seat Unit upright. Bring the Base Unit back, align the top of the Gas Lift (F) with the center hole under the Seat Unit, and press down firmly until it locks securely into place.

All done!

Nice work—you've just elevated your workspace with Friant Plus.

Now sit back, fine-tune your comfort, and get into your flow.

Care Instruction

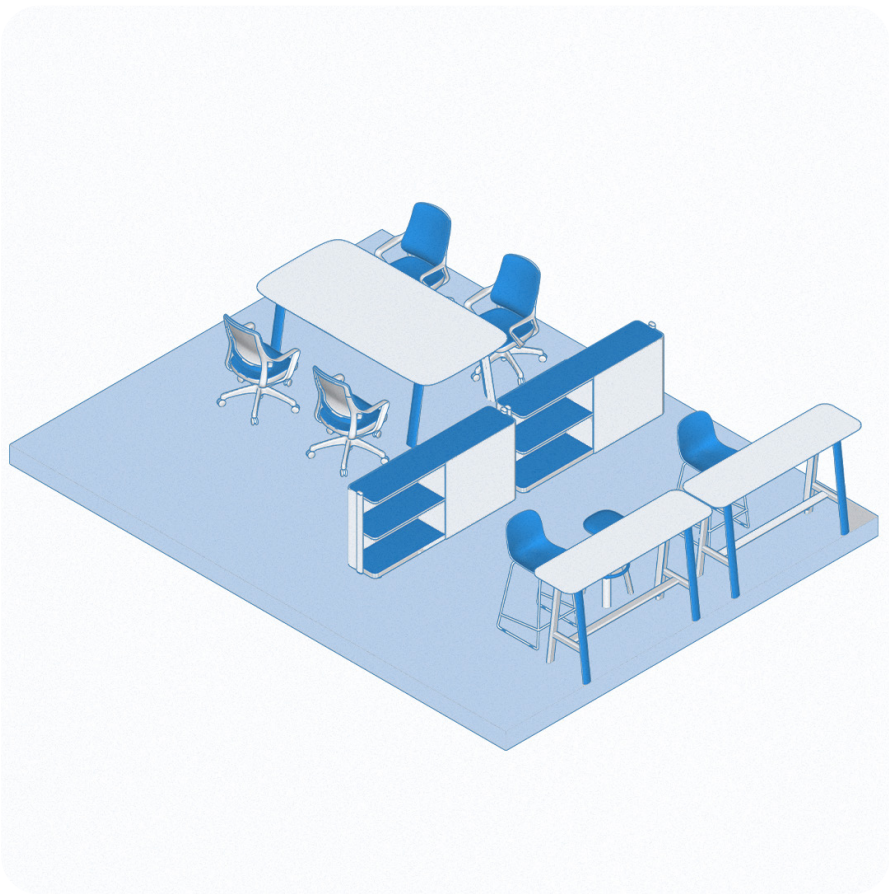

1. Never wave or bump the chair fiercely.
2. Never wipe with damp cloth or hard things.
3. Stock indoor after cleaning when not used.

Friant has everything you need to build your entire office.

For more than 30 years, Friant has been creating high-quality office furniture to meet the needs of every workspace.

Made from the finest materials, our high-quality, durable, and stylish products are the building blocks of productivity.

Friant Plus now brings our craftsmanship online, offering exclusive access to products not found in typical retail stores.
